

Photos from the Anthropocene Brainstorming, Mosbach, 31 May 2017

Dear participants, contributors and potential contributors,

I would like to thank all of you for coming from overseas, Europe and from Germany to participate at the Anthropocene Brainstorming on 31 May 2017 in my private library on the eve of my 70th birthday. The photos were taken by Mr. Meah Mostafiz, a PhD candidate at the South Asia Institute (SAI) of Heidelberg University, Ms. Astrid Kaltenbach, secretary of Prof. Paul J. Crutzen (MIC, Mainz), Michael Headon (Wales) and Hans Günter Brauch (Mosbach).
